

"Italian hard rockers BLACK STAR FURIES are back with 14 songs. "Vamp In Paradise" is a fun album, While the horror metal vibe can definitely be heard in the vocals, the guitars also have a strong VAN HALEN vibe, it should be in the playlist of legions of hard horror metal freaks soon."

Veglam Magazine, October 2016

"Wham! Glam! Thank you ma'am. Yes. it's some eighties sleaze rock all the way from Italy. Black Star Furies are the band in question and they have put out a really enjoyable set."

The Rocker 65, November 2016

"Their sound is a once simple and rather dense, having a very lush atmosphere. Whether this is by design or production, it's an entertaining sound. And it makes the Starfuries sound larger than the street rock sound they wish to portray."

BIOGRAPHY

As many bands, they rise from the ashes of a dead one in September 2008.. the purpose is simple: do their music, record, perform, sleaze around a lot!

During a very cold November in 2008, the first single "Wash Away" (a ballad) is recorded and followed few months later (in april 2009) by 3 other tracks composing their first EP "96th Street" released on digital by "emmeciesse music publishing".

The sound is rude but also melodic "nu style" hard rock. This cocktail got excellent results on the web.. and smashed bones during the gigs.

On July 2010 BSF record the "Dream Alone", included in the compilation "Sounds of Underground vol1" by volo libero edizioni. This product joins Famous old Dudes & the "new generation" from Milan Underground Street, HR, Punk, Rock Scene.

It's 2011/12 winter.. with guns fully loaded Furies rumble to the studio to record their first album "Rest of the City" composed by 11 brand new tracks that confirm Furies's Style, mixing melodic patterns with powerful rhythmic and riffing.

Many reviews recognize Rest of the City as a notable work, given the positive feedback to the band and the album.

In spring 2014 The Furies were hooked by Jack Rock Agency, join their rooster, and begin to be deeply involved in a new series of nasty unpredictable hot stickys sweet gigs. On november, same year, BSF tour with "Living Dead Lights" in the Baltics... performing in clubs from Riga to Liepaja.

While touring, the guyz start working on their new album, and in the summer of 2015 they storm in the studio and spit out 14 incredible amazing nu tracks for the new album "Vamp in Paradise".

"Vamp in Paradise" Furies's last album was released on september 24th, 2016.

The sound is a powerful, large, concrete, Sleaze Roxx!!! in simple words.. IT ROCKS!!

During september 2016, the Furies go on tour in Russia, performing in Saint Petersburg and Moscow and in the major city of western Russia, such Pskov, Novgorod or Yaroslav .. setting on fire every stage they hit!

Back home the trio keep going in performing from north to south Italy and release new video from Vamp in Paradise single "L.A. 81"

In November 2017, Black Star Furies opend in Milan for the swedish legend Backyard Babies

In the Early 2018 the Furies release an other Video "69" the third single from V.I.P.

Now BSF are working on their next video, the 4th single from Vamp In Paradise, and hitting the stage everytime that they are needed.
